Are you ready?

The best golfing week of the year is upon on as the final Major Championship of 2019, **The Open** starts tomorrow. This year is the first time since 1951 that The Open is not being held in "Great Britain" but on the Antrim coast of Northern Ireland at Royal Portrush. If ever there was an Open I wished I could attend it would be this one, my Grandmother is from a small fishing village "Cushendun" about 30 miles away where I spent many summer holidays as a boy, so the venue pulls at my heart. To give you an idea of the how beautiful this part of the world is there is a lovely 2 min video...

The Claret Jug Tour of the Causeway Coast and Glens

Brandon Stone is one of many South Africans playing and it's nice to see his mum and dad are there to support him. I figure it has to be a sentimental winner, and so Rory

McIlroy will be the clear crowd favourite, lets watch and enjoy!

Ladies, this one's for you

The very popular Mount Edgecombe Country Club "Bunnies" programme is starting again, with the first lesson due to start at the beginning of August so please email if you know of anyone who might be keen to join

Grass Tee Areas

MOUNT EDGECOMBE
COUNTRY CLUB ESTATE
DRIVING RANGE

Dear valued Members,

As you are aware, we opened our newly planted grass tee boxes in June, and they have proven to be very popular, and we are delighted that you are enjoying the upgrade.

Unfortunately, this has caused an issue with overuse and with the poor re-growth at this time of year it looks like we will have used the grass to its full extent by the end of this week with new grass not coming through as yet.

As such we will have to close both grass tees for a few weeks, we are fertilizing and watering extensively so we hope this will allow the grass to regenerate quickly.

Your patience in this regard is much appreciated

Kind regards

Steve Cottingham

Celebrate The Open with Srixon

In celebration of The Open taking place this week, Srixon Golf is offering you a fantastic deal on their Srixon Z-STAR and Z-STAR golf balls. You use your golf ball on every shot your play so the Z-STAR Series is a great investment in your game if you're looking for distance, feel and stopping power!

For a limited time only, you can buy any Srixon Z-STAR & Z-STAR 6-ball pack as well as a leather glove for only **R349.99**. Reserve yours [here](#).

The banner features a dark blue background with a subtle geometric pattern. On the left, the Srixon logo is in a red box. Below it, the text 'CELEBRATE THE MAJORS' is in red, followed by '6 BALL PACK & LEATHER GLOVE' in large white letters. A red ribbon banner at the bottom left displays 'R349,99'. In the center, three boxes of Srixon Z-STAR golf balls are shown, labeled '6TH GENERATION Z-STAR® SERIES'. To the right of the boxes is a large white plus sign, followed by a white leather golf glove. Below the glove, the text 'SRIXON CABRETTA LEATHER GLOVE' is written.

Centre of Gravity (CoG) matters

To old & young, male & female, skilled & inexperienced

Whether you swing your driver particularly fast or very slow, the CoG location of your driver impacts significantly on your tee shot performance and playing experience.

Although the CoG location in different drivers might be a few mm apart (in depth and in height), it will have a significant impact on your launch angle and the spin rate on the golf ball. That really, really matters to your experience on the golf course.

40 METRES

Especially to those with slower swing speeds or those with very, very fast swing speeds the difference in tee shot improvement we can create, just by changing launch conditions, can be beyond 40 metres. That's not just a great feeling when you hit the ball further; that could mean an easier #8 iron second shot vs. a more difficult #5 iron. Who wouldn't want that?

Fix your millimetres and metres

Get every metre off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more metres to your tee shots.

A better life for them

You didn't grow up like this

We used to hear about “computer game addiction” as a crisis with a few oddballs in far-away lands. There is now a “Fortnite Craze” – a computer game that has children locked in their bedroom. Addicted. And it's here and now. Not in far-away places.

[Watch now >](#)

Our whole society needs to react to these challenges. We need to find ways to create more fun and enjoyment in the real world. Golf is the greatest game ever invented. No requirement to be a jock. Boys and Girls. Very social. Outdoors. Healthy.

Let us add balance

Let us add balance

Have your child enroll into one of our group sessions to learn to play golf, and we'll have them outdoors, interacting, learning new skills, and having a whole stack of fun they can take out onto the golf course. They won't stop playing computer games, but for a couple of hours each time we'll have them off the phone, out from in front of the screen, engaging in fun activity.
