Can you smell the flowers?

At last we are having some lovely soaking rain, spring is definitely here. This should really help with the regeneration of our grass tee boxes, fingers crossed we will be able to re-open them very soon.

KZN PGA Regional Championship

This past week Mount Edgecombe Country Club hosted the KZN PGA Regional Championship and there was nothing but praise from the PGA Professionals on the condition of our course and the service and welcome they received. The event was won by **Shaun Coetzee** with a score 141, with our very own Micky Hough coming in 2nd on 144.

The low round of the tournament went to Martin Smit with a 69 on day two that helped him and his partner Dave Isack win the team event.

Dave also won the Amateur Individual event with 73 stableford points and my partner Mike Rossiter came in 4th with 68 points.

Student of the week

It's all in the technique

See the difference some lessons can make: Randhir is now swinging the club with ease and balance!

Fitting for approach shot magic

Three dimensions for a

BETTER APPROACH

We want you to evolve your thinking about your approach shots. Get more demanding about the results you want. Work with us on improving your performance.

Let's start with what you should demand from the partnership that is your swing and your irons.

DISTANCE:

Adding distance means you're playing a shorter club. That means literally a shorter length club. That makes it easier to square the club face and launch the ball high and with accuracy.

ACCURACY:

Squaring the face to target and squaring the sole to the ground at impact means you'll hit more shots tighter to the target. Technique is important. Fitting is imperative. Yes, fitting is imperative to accuracy.

STOPPING POWER:

Once your approach hits the green you want stopping power. That requires spin and an angle of descent that means the ball will sit. So, you want technology in your iron that launches your ball on a great trajectory.

Now improve your approach

Book an assessment with us now. Let us look at your swing and technique; your irons and how the technology helps you. Let us improve the three dimensions above. Improve these and it increases the number of magical moments on the course.

Make more magic >

Fall in love with golf

This is

NOT THE PURPOSE

of introducing your children to the

GREATEST GAME.

fall in love with the game of golf.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Whether they've played the game before, play the game now, or have never played the game, we'll promise you that we'll take care of them, and set them on the pathway to a lifelong love affair with the game.

Sign your children up for one of our fun junior golf programmes.
