Easy breezy

Spring is defiantly in the air, and as usual, at this time of year so are the heavy winds so please remember, "when it's breezy, swing easy"...

Here are some tips to help you control your ball flight in the wind:

If you need help or have any questions please [contact me](#)

Testimonial Thursday

Some happy students and winners...

Alan and Stephne are back in the game!

Hi Steve

A few months' back, Alan and I arrived at your Golf Academy on a recommendation from friends. Alan had a few issues but being a natural sportsman his issues were quickly solved by you. I sadly arrived a blithering idiot crying on your shoulder looking for endorsement from you to give up this horrible game! A few lessons later, you helped me get my head together and my shots together! I now hit a ball with confidence and have started enjoying my game again.

It has been that much of an improvement that Alan and I won the Mixed Knockout Matchplay Championships at Simbithi a few days' ago! Thank you so very much. Who said this is a horrible game? I love it!

We will both be back for refreshers periodically so you have not seen the last of us.

Keep well Coach.

**Regards,
Stephne Ashworth**

From zero to hero

"Moving to South Africa in 2017 made me want to try out a new sport. Together with my husband, I completed the Beginner Golf Program at the Mount Edgecombe Driving Range with PGA Teacher Steve Cottingham. Steve's systematic teaching approach and patience really got me hooked on the game. I soon started playing with the ladies from the Bunnies program and quickly thereafter joined the MECC Ladies competitions and League.

My golf partner, Sally-Ann Hyatt and I recently won the National Finals of the Windhoek Lager International Pairs SA Championship in Namibia. What an amazing feeling to be able to play on a course comfortably after only 1,5 years! I cannot thank Steve enough for his support and mentorship along the way, he really made the difference!" – Isabelle Backx

Let's get you on track

[Contact us](#) and we can help you, whether you're a beginner golfer or need someone to scrape off the rust off your game.

Course update

The grass tee boxes are at last starting to knit properly and should be open by the last week in September, will keep you posted.

Fall in love with golf

MASTERING

a skill is great for

SELF-CONFIDENCE.

The boost, thrill, and growth we see in a child when they start to master a particular golf skill gives us tremendous fulfillment. As we start to see them fall in love with the game and find new connections with others on a similar journey, we know we're doing our job.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Sign your children up for one of our fun junior golf programmes. We'll set them on the pathway to a lifelong love affair with the game.
